Who should attend this course?...

- Student pilots preparing for the FAA written knowledge test for initial Private Pilot's certificate
- Commercial and Flight Instructor candidates who want to converse like an expert during their FAA oral and checkride
- Power pilots transitioning to gliders, or any licensed pilot who wants to enhance their soaring flight knowledge
- Pilots who haven't reviewed aeronautical knowledge material for a few years and want to feel sharper
- Glider owners - To qualify for an insurance discount
- Anyone who is suffering from winter induced aviation withdraw and wants to keep their head in the game
